Error when trying to change the site language from the profile page.

<u>Priority</u>:Medium <u>Saverity</u>: Major

Environment: Windows 10 64x; Google Chrome 102.0.5005.115;

Preconditions:

- 1. Go on https://dl.nure.ua
- 2. Login with email: name@nure.ua password: Mypassw

Steps:

- 1. In the top menu click on the profile photo and select "Profile" from the drop-down menu.
- 2. In the top menu click on the profile photo and select "Language" from the drop-down menu.
- 3. Select and click on a different language.

Actual result: The error "Invalid user" is displayed.

Expected result: The page refreshes and translates to the selected language.
