Course links on the profile page don't work

Priority: Medium Saverity: Major

Environment: Windows 10 64x Google Chrome

102.0.5005.115

Preconditions:

1. Go on https://dl.nure.ua

2. Login with email: name@nure.ua password: Mypassw

Steps:

- 1. In the top menu click on the profile photo and select "Profile" from the drop-down menu.
- 2. Go to the "Course details" block.
- 3. Click on any link.

Actual result: The page title and URL have changed, but the profile page is displayed.

Expected result: Switch to the selected course page.
